## Do you need -

- A computer training centre in Cairns?
- Somewhere to present to your customers?
- Somewhere to go over a project with your staff?
- Private facilities for an executive meeting?

...we can help!

## Ideas -

- Bring a trainer to Cairns, rather than send your staff out of town
- Demonstrate new office software to your staff at the one group session
- The uses for our centre are varied

Why not incorporate some of this region's attractions into your training event?

Staff training can give businesses the edge they need to survive and thrive in a competitive market

Training has a huge impact on productivity and the bottom line

Training in one area can flow through to benefit all levels of an organisation

Accommodation only a short stroll away!
