

TRAINING COURSES - 2010

Realtime International is the Autodesk Building Solutions Value Added Reseller for North Queensland and PNG, and as such is your one stop shop for CAD software, support and training. We have specialised in CAD technology since 1988, and are also dealers for Hewlett Packard large-format printers, Microsoft software and various CAD add-on applications. Our Computer Training Centre continues to be a prime place of learning and demonstration. Staff at Realtime International are committed to this region and are focused on customer service.
