AutoCAD Fundamentals—3 day course

"I needed a better understanding of the background logic and got it without asking, thanks. Good learning principals used."

Renee Feist

"The course met my expectations well and I will go away feeling confident using the information in my daily work. I did not realise how in depth the course is."

Ryan Onaindia, Mears Construction & Training

"I found all of the concepts to be thoroughly explained and much easier to understand than when I had tried to learn on my own."

Jacqueline O'Rourke, ARUP

AutoCAD Intermediate—2 day course

"Received a lot of information I needed to know! Exceeded my expectations."

James Stanford, Lincolne Scott

"Gurjeet was very knowledgeable and helpful particularly regarding shortcuts and standards."

Narelle Barton, Cairns Regional Council

Revit Managing & Controlling Systems—2 day course

"Good logical progression. Systems stuff good and I also picked up lots of bits on the side. Enjoyed it and helped re-motivate me."

James Maude, Studio Mango

"I was most impressed with Chris' practical application of knowledge. Not many people are willing share such experience."

Doug Telford, Trinity Anglican School

Revit Fundamentals—3 day course

"Very clear & rough overviews before exercises were beneficial. Appreciated where 'instant' answers were not given that follow up was undertaken to resolve the query. Very well run."

Nicole Ewing, Fisher & Buttrose Architects

"Some parts of the book are a bit hard to follow but Dale explained these in English, thanks. The few things that needed further explanation were covered well and the course covered almost everything including some further advanced knowledge. Thanks again."

Renee Feist

"Instructions easy to follow, class size was perfect."

Emma Bowman

One On One training

"Thank you for the training session yesterday in Revit Families - it was much appreciated and WELL worth the investment."

Michael King, HVAC Design Coordination Manager, GHD

"Dale is an excellent teacher. I make an effort to learn one new thing a day, but what Dale showed me will keep me going for a year, thank you VERY much".

Paul Cronin, Woree State High School

PhotoShop for Designers

"Realtime run excellent courses and cater well to all levels. Venue and catering are always good. Nat managed to fit a lot into two days."
